Â

This album was made following the main concept of the Sound Microsurgery Department: an experimental synthesis of different world traditions . Traditional tuvian music is performed here in a completely new context. We join tuvian throat singing on an african and indian rhythmic basis and apply the contemporary jazz harmony system in the arrangements.

Ayas Kholazhyk- throat singing

You' - trumpet, flugelhorn, piccolo-trumpet, violin, ghost catcher, vladimirsky  
rozhok, kalyuka, keyboards

Vladiswar Nadishana - ethnic percussion, mandola, dzuddahord, sitar, acoustic  
and electric guitars, fretless bass, homuses, bansuri, kena, zhaleyka,  
sampler surgery.
